The Class Of 1981 Would Like To Dedicate This Yearbook To Mrs. Evelyn Abbott And Mr. Richard Collins To Show Our Appreciation For All Their Time And Effort In The Past Years.

Congratulations to you on the successful completion of your courses in agriculture. You now have a foundation of general and vocational competencies that will serve you well as you enter the world of work or continue your education.

As time goes on, I am sure you will value the friends you have made at Essex and I would like you to know that we are all interested in you and your career. Your many friends on the staff will be happy to hear from you and assist you if needed. A good way to maintain these friends is to join your Alumni Association.

Best Wishes,

Raymond Potter

Director

At no time has American agriculture been faced with greater problems, greater challenges and greater opportunities in its gigantic task of feeding and clothing more people; husbanding and developing its various resources; contributing to the steady growth of modern science; and helping mankind in its long struggle for freedom and plenty.

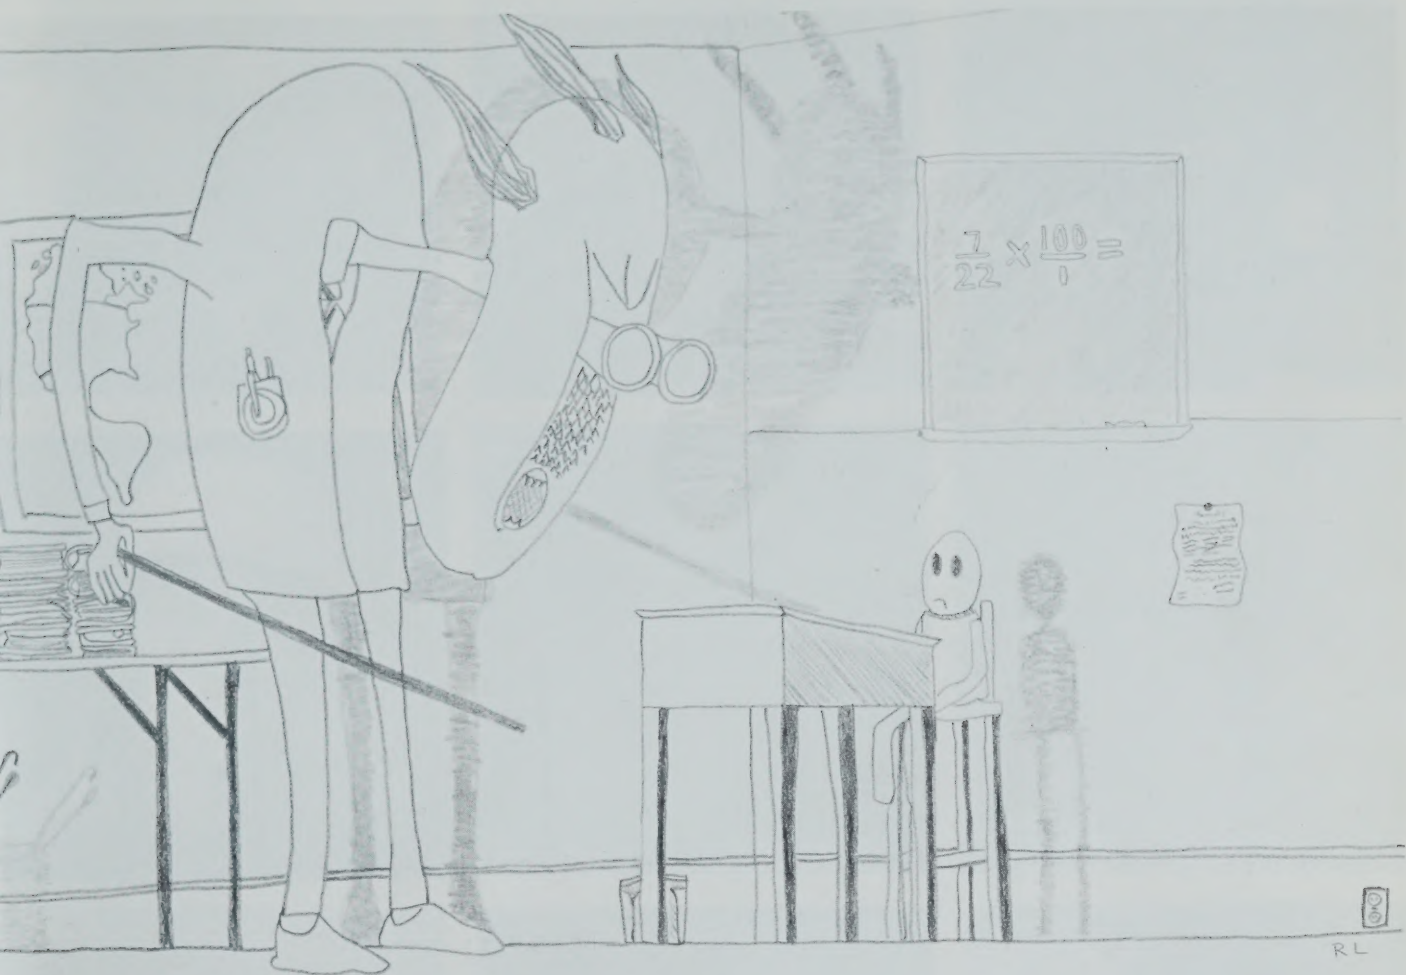

The skills that you have developed in vocational agriculture here at Essex will indeed prepare you to continue the pace that has been set in the American scene. May each of you receive the greatest success in your endeavors.

Best Wishes,

Richard M. Brown

NOW I LAY ME DOWN TO STUDY,
I PRAY THE LORD I WON'T GO NUTTY.
AND IF I FAIL TO LEARN THIS JUNK,
I PRAY THE LORD THAT I WON'T FLUNK.
BUT IF I DO, DON'T PITY ME AT ALL,
JUST LAY MY BONES IN THE STUDY HALL.
TELL MY TEACHER I'VE DONE MY BEST,
THEN PILE MY BOOKS UPON MY CHEST.
NOW I LAY ME DOWN TO REST,
TO PRAY I'LL PASS TOMORROW'S TEST.
IF I SHOULD DIE BEFORE I WAKE,
THAT'S ONE LESS TEST I'LL HAVE TO TAKE.
